Assembly

Ben and I will be hosting assembly on Monday. We will announce the Students of the Week and any other important information. The 'assembly' will be videoed and will be uploaded to SeeSaw on Monday.

Students of the Week

The students have been doing an amazing job with their remote learning. We are still going to recognise their efforts. The students will not be given their actual certificates until they return to school, but they will be acknowledge in the Newsletter and the teacher that has given the award will communicate the reason for the award with the student.

ANZAC Day Ceremony

Tomorrow is ANZAC Day and we have uploaded our virtual ANZAC Day ceremony to SeeSaw. Please take the time to watch it with

your family. Thanks to the School Captains for their videos, the Grade 2 students for their singing and all the students who completed a poppy for the school wreath as part of the Art activity this week. Thanks also to Mrs Mac for producing the video.

Art

What an outstanding job the students have done with their poppies for the wreath. All students were given the task of completing a poppy as part of the online art this

week. Prep and Grade 1 students decorated their poppy with different red lines. Grades 2, 3 & 4 took photos of red items and attached them to their poppy's petals. The Grade 5 & 6 students explored pictures that symbolise ANZAC day and used these images to decorate their poppy. Our wreath looked amazing!

Mother's Day

Mother's Day is on Sunday 10th May. We will not be able to hold our traditional stall however we are providing the students with some art activities that they can do for Mum. Each student will be give the traditional brown paper bag with a couple of art activities to complete. These bags will need to be collected from school. They will be available for collection on next Wednesday 29th April. The bags will be named and in each student's classroom and can be picked up anytime from 8:00am to 4:00pm.
