WELCOME BACK

What an incredibly smooth transition to face to face teaching we have had with our Prep to 2 students. The students were very happy to see their friends and their teachers. It has been a very calm and relaxed return.

I would like to thank all parents and caregivers for supporting the students whilst they were completing remote learning (and those who still are). I would also like to thank the students for taking ownership of their own learning and participating in a very different way of learning. The teachers have done a fantastic job of providing appropriate learning tasks and support to students whilst they have been at home.

We will welcome all Grade 3 to 6 students back on Tuesday 9th June (after the Monday public holiday).

The drop off and pick up has been seamless. The students have been independently entering and leaving the school grounds. Just a reminder that parents are only to come onto school grounds if absolutely necessary.

Enrolments

We are accepting enrolments for 2021. There will be no tours of the school at the moment. Enrolment packs can be collected from the office or they can be emailed and completed electronically. If you have a 2021 Prep student please enrol as soon as possible.

School Council

On Wednesday night we held a School Council meeting. It was the first one with our new school council members. There was a discussion about 'remote learning'. The general consensus from the School Council was that even though this was stressful for everyone at the start, the students, parents and staff embraced the learning style and we are proud of the achievements and participation of all involved.

School Council approved the construction of a shade structure over the basketball court. Construction will commence once all applications have been approved.

Our School Council members for 2020 are;

Travis Boulton, Jason Bruhn, Selina Carmichael, Janet Droffelaar, Linc Howard, Sherrin Madden, Nicole Shaw, Nick Sheahan, Sebastian Tobacco, Jarrod Wilkie, Robyn Brooks, Shannon Allen, Emma Lord, Nadine McWilliams, Ben Milsom, and Jamie Russell.

Staffing

Mrs Marie Roccisano will be going on maternity leave in two weeks. We will let students and parents know who will be replacing Mrs Roccisano and the exact date shortly.

Lunch Orders

Lunch orders will be available on Fridays. The price list remains the same. Staff will hand out the lunch orders to the students.

Hygiene and Sanitisation

With the return to school extra hygiene and sanitisation protocols have been put in place. All high touch areas are wiped throughout the day (including the playground) by a cleaner. A handwashing station has been installed outside the MPR. All classrooms have hand sanitiser and those rooms with sinks have handwash and paper towels. Students are wiping their tables after eating snack and lunch.
