## MOBILE PHONES – STUDENT USE

### PURPOSE

To explain to our school community the Department's and Irymple South Primary School's policy requirements and expectations relating to students using mobile phones during school hours.

### SCOPE

This policy applies to:

1. All students at Irymple South Primary School and,
2. Students' personal mobile phones

### DEFINITIONS

**A mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

### POLICY

Irymple South Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Irymple South Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

### PERSONAL MOBILE PHONE USE

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Irymple South Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

### SECURE STORAGE

Mobile phones owned by students at Irymple South Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Irymple South Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the [Example School's Personal Property Policy AND/OR the Department's [Personal Goods policy](#).]

Where students bring a mobile phone to school, Irymple South Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Irymple South Primary School students are required to hand their mobile phones to their teacher for secure location in the office of their classroom teacher.

## ENFORCEMENT

Students who use their personal mobile phones inappropriately at Irymple South Primary School may be issued with consequences consistent with our school's existing student engagement policies.

At Irymple South Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- during assessments

## EXCEPTIONS

- may be applied during school hours if certain conditions are met, specifically,
  - Health and wellbeing-related exceptions; and
  - Exceptions related to managing risk when students are offsite.
