# CURIOSITY INCLUSION OWNERSHIP PASSION

We have completed our second week back! Lots has been happening and there are many events coming up. A calendar has been included in this week's newsletter, which has many of the events listed.

## Maintenance and Building Works

Over the holidays a number of maintenance and building works occurred;

- The roof above Room 2 was replaced
- Parts of the school were given a fresh coat of paint
- A new meeting room has been created where the computer lab was
- The area outside rooms 3 & 4 has a new seating area and garden beds
- The garden beds at the front of the school have been refreshed

## Basketball Court Shade Structure

On Wednesday two cranes came in and lifted the shade structure above the basketball court. The whole school went out to watch this. It will be at least another week before we can use the court, but when we are able to it is going to provide a great place to play.

## After School Care

Thank you to everyone who expressed interest in utilising an after school care program at school. I am still investigating and will inform you when I have more information.

## Welcome

This week we welcome Phoenix Smith. Phoenix has joined 5A with Mr Allen. We hope that he enjoys his time at ISPS.

## Reporting Day

On Thursday December 10th we will be holding a day where parents and teachers discuss reports. Reports will be uploaded to Xuno on Friday 4th December.

## Upcoming Public Holidays

Friday 23rd October and Tuesday 3rd of November are both public holidays. Staff and students are not required to attend on these days.

There will be NO newsletter next week due to the Public holiday on Friday.

Kind regards,

*Robyn*

## FOOTY COLOURS DAY

Next Thursday, 22nd October, we will be holding our Footy Colours Day. Jude, Tom, Charlie and Sam have organised activities for the students to do. They will do the activities after recess in groups.

At lunchtime the annual footy match will take place.

All students are encouraged to wear their favourite footy colours on the day.

Due to Covid restrictions no spectators are allowed to come and watch the footy game.

### Smiling Mind App

We know lockdown has been a tricky time for families everywhere. To support families through we have added NEW meditations to the Smiling Mind App

#### **How will they help?**

These short meditations have been designed specifically children, and their parents, as they navigate the challenges associated with COVID-19.

#### **When should you use them?**

We have added Day Starter and Day Finisher meditations for students to help with the transition from home to school. There is also a Self Care meditation for parents and carers to help incorporate short breaks to pause and check-in with yourself.
