

Bronze Award 2020

SCHOOL-WIDE POSITIVE
BEHAVIOUR SUPPORT

LEARNING CONFERENCES

Learning conferences provide an opportunity for students, teachers and parents to acknowledge student's social, emotional and academic growth and needs. Having the student, teacher and parent all together at the same time is imperative in ensuring the success of the conference. We will be holding learning conferences in Week 10. These are not pupil free days, students will attend their conferences with their parents at their appointed time. Bookings and times will be posted on Xuno soon. There will be the option for a face to face or a zoom meeting for the conference.

| | |
|-------------------|------------------------------------|
| Grade 5 & 6 | Monday 6 th December |
| Grade 2 & 3 | Tuesday 7 th December |
| Prep, Grade 1 & 4 | Wednesday 8 th December |

Assembly

It has been great to have assembly again this week. 3V and 3P hosted assembly this week. Student of the Week certificates, birthdays are acknowledged and it is a great chance to have the whole school together. Parents can attend as we are outside.

Grade 6 Graduation

This year the Grade 6 students will participate in their graduation evening on Tuesday 14th December. They will present their speeches to their peers, family and staff. Awards will also be presented. Grade 6 parents will be able to attend the graduation. The event will also be live streamed. The students will have their dinner and disco at Willow and Ivie on Monday 13th December. Parents of students in Grade 6 have been sent a letter via Xuno and SeeSaw outlining times and further details.

Grade 6 Transition

The Grade 6 students have started their transition to Year 7! Representatives from the secondary colleges will meet with the students and talk to them about expectations and answer any questions that the students may have. The students will participate in the

statewide Orientation Day on Tuesday 7th December. More information will be sent to families by the relevant secondary school.

Grade 6 Awards

At the end of the year we will be once again celebrating another successful year of Grade 6 Irymple South students. During our Graduation we have a number of awards that are won by students. Over many years we have had many kind contributions and are again looking for donations. Any parents that would like to contribute towards an award please see Mr Smith by Friday 3rd December.

Prep 2022 Transition

Prep 2022 transition sessions will take place over 4 Tuesdays from the 16th November. The final day will be the statewide Orientation Day on Tuesday 7th December. Information about the days have been sent to the parents of children starting Prep in 2022.

Hats

To encourage all of our students to wear hats we have introduced an acknowledgement program in line with School Wide Positive Behaviours (SWPB). The number of students without hats at recess and lunchtime will be recorded.

Be Your Best

Office: 50245345

Postal Address: P.O. Box 716, Irymple South 3498

Email: irymplesouth.ps@education.vic.gov.au

Web: www.irymplesouthps.vic.edu.au

At the end of the week the year level with the least number without hats will choose the new bell music. We are encouraging the students to show our school expectation of Ownership in remembering and taking care of their hat. Last week 1M, 5C and the Grade 6 students won and they chose this week's bell music.

Fees

A reminder that any outstanding school fees are now due. If you have any outstanding amounts you will receive a statement via email. Payment can be made at the Office or by direct depositing money into the following account with [your child's name as the reference or the reference number on the statement](#);

BSB: 063 520

Acc: 10104523

School Council

The next meeting of the School Council will be held on Wednesday 24th November at 6:00pm.

Visitors to School

Visitors to school grounds must comply with vaccination requirements, density limits, face mask requirements, QR code check-ins and practise respiratory etiquette and good hand hygiene. The density limit of one person per four square metres should be applied to any spaces and activities being attended by parent/carers and other visitors. The density limit applies to all persons in the space, including students. These measures are in place for the health and safety of our school community.

Camps

We will not be holding camps for any year level this year. We intend to hold 'special' activity days for each year level in the last weeks of the year. We did this last year and the students had lots of fun on their special activity day. The dates have been set for these days. Please refer to the calendar at the end of the

newsletter.

Specialist Program

The students are very excited to be able to participate in their specialist classes now that we are back onsite. Mrs Branson, Mrs Mac, Mr Douglas and Mrs Lord will be uploading work samples to SeeSaw to showcase the students' work. Please take the time to check out your child's work and talk to them about it.

Squid Games

It has come to our attention that some children are playing games that are featured on the 'Squid Games' series. This program is NOT suitable for primary aged children and we have banned any of these games in the school yard. We would appreciate your support with this.

Uniform Swap

We will be holding a Uniform Swap soon. This is a great opportunity to pick up some new sizes and to clear out any unused uniform. The swap will happen from Monday 15th to Friday 19th November. It will be open each morning and afternoon on the stage area. If you have no uniform to swap, items can be taken in exchange for a gold coin.

Outside School Hours Care

It is great to see the numbers for our program increasing. Those students attending have enjoyed themselves. If you would like to book please information on how to do this, further in the newsletter.

Robyn

END OF YEAR SPECIAL ACTIVITY DAYS

We will not be holding our camp program this year. All classes will be involved in a special activity day in the last week of term. There will be no cost for these days. Classroom teachers will provide more details shortly.

Bring Your Own Device Program

At Irymple South Primary School we are striving to support and prepare our students for the world in which they live. We believe that the use of technology enriches and supports their learning.

Digital technologies are dramatically changing how we educate our students. Through increased access to devices, where all students have access at any time to digital technologies; students can leverage learning that is interactive, differentiated and collaborative.

We believe we play an important role in the integration of technology to enhance learning with our students and ensuring it is used appropriately to enable efficient and effective learning and teaching practices and prepare students for life and work.

1:1 Learning Program

At Irymple South Primary School we value our 1:1 learning program where each student has access to a device to complete learning tasks.

The preferred model at Irymple South is based on:

Bring Your Own Device (BYOD) – students bring their own iPads which are either purchased or leased directly by families.

Preferred models:

iPad 9th Gen Wi-Fi / 10.2 / A13 / 64GB

Model Number: MK2K3X/A

OR

iPad 9th Gen Wi-Fi / 10.2 / A13 / 256GB

Model Number: MK2N3X/A

You can find the policy on the website

<https://www.irymplesouthps.vic.edu.au/byod/>
